

EDWARD F. HARTFIELD RECEIVES THE DISTINGUISHED SERVICE AWARD FROM THE ENGINEERING SOCIETY OF DETROIT

Edward F. Hartfield, President of the Hartfield Resolution Group , received the Distinguished Service Award from the Engineering Society of Detroit. The award was presented at the ESD Annual Dinner at the Westin Book Cadillac on June 23, 2011.

Hartfield received the award for his work as a facilitator on symposiums including the Global Transportation Hub , Reducing Waste in Health Care, and the Enterprise Zone. Hartfield is also an active member of the Society's Alternative Dispute Resolution Committee.

In receiving his award, Hartfield stated, "The ESD is assuming a leadership role in promoting the Region and its economic development. It consistently seeks to identify the Region's most significant issues, bring together a diverse group of stakeholders, and engage them in a structured and facilitated dialogue to create new solutions to very pressing problems.

I am honored to help in their efforts and contribute my experience as a mediator and facilitator".

Pictures and additional photos about the ESD Annual Dinner and other awardees can be found in the June, 2011 issue of Technology Century, the official publication of The Engineering Society of Detroit.
